Instructions for Homework Submissions

Dear Parents,

Greetings of the day!

As we all know classwork and homework are an integral part of academic curriculum which enhances the practice skills of students. We at CMIS, always emphasize on the importance of submissions by the students which encourages them to complete their work on time. For that we have our subject wise homework for every class.

Homework is set with a deadline and taking ownership of this deadline helps them think independently and develop problem-solving skills. As higher grades have more writing work, we have planned to give one week's time for completing the homework of all subjects. We expect students to be more responsible and they should plan their day's homework on their own.

Kindly find the weekly schedule for checking the submissions of the homework for these grades -

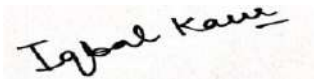

Sr. No	Day	Subject
1	Monday	Mathematics
2	Tuesday	German/Sanskrit
3	Wednesday	English
4	Thursday	Hindi/Marathi
5	Friday	Computers/IT
6	Weekend	Social Science Science

Please Note –

- Respective subject teachers will check the respective subject homework on day's mentioned above once in a week. Students are expected to turn on their camera and show the homework done to the respective subject teacher.
- **Math** should be practiced daily. However, the submissions for Math subject will be checked by the teachers in class on Monday only as mentioned above.
- We understand that for **Social Science and Science**, there is more written work, hence we have planned to take the submissions of these subjects over weekend. The students are requested to make PDFs and upload them in Teams under their names in Class Notebook. Instructions for the same will be given by the respective subject teachers.

- Kindly note that the above instructions for checking whether the students have completed their work or not. Proper checking of notebooks/workbooks/manuals will be done of hard copies only as and when physical submissions will be asked in the school.
- Homework is given in the class during the respective subject period and it will also be posted in the respective subject channels in class team on Microsoft Teams. Kindly check homework daily after 4 p.m.
- Students are requested to note down the daily classwork and homework in their rough notebooks on a regular basis.
- Parents to make sure that your ward completes the homework on daily basis as per the instructions given by the subject teachers.
