

Dear Parent,

We are excited to announce a partnership with **LogIQids, an IIT IIM alumni venture** for their annual **Mental Aptitude Development Olympiad** for **K-9 students**. The Olympiad aims to develop and assess children's reasoning skills and was taken by 1 lakh+ students last year. It is conducted in 2 stages. The First Stage is completely FREE of COST, while the Final Stage is optional and chargeable. As a part of the Olympiad, all participants for the first stage will be given access to free preparatory material. **All participants will get certified by Techfest, IIT Bombay.**

**FIRST STAGE
COMPLETELY
FREE**

**CERTIFICATE IN
PARTNERSHIP
WITH TECHFEST,
IIT BOMBAY**

About LogIQids:

LogIQids, started by IIT-IIM graduates, develops important 21st-century skills like Problem Solving, Analytical Thinking, Verbal Reasoning, Spatial Reasoning, Creativity and Lateral Thinking in children aged 5-14 years to improve their mental aptitude. So far, we have impacted more than 3 Lakh students from over 800 schools across India and other GCC countries.
