Academic Plan for Grade XII

Dear Students,

An investment in knowledge pays the best interest.

C M International School Junior College provides academically rigorous courses in all grades. We are glad to inform you that for the last year 2020-21, CMIS earned a place for Grade XII making the grade for its value, and quality, educational opportunities, based on Maharashtra Board of Education and our students of this batch came out with flying colours.

Since we have started our new batch of Grade XII from July 2021, as a State level Organization, the Board has substantially contributed towards upgrading educational standards and introducing innovations in the field of Secondary and Higher Secondary Education. The Board is diverse, mass participative education system with a broader base of access that provides the benefits of uniformity and diversity.
