ONLINE NATIONAL MATH & ARITHMETIC COMPETITION PROGRAM 2021-22

Dear Parents,

Greeting of the day!

To drive engagement at scale while ensuring inclusive e-learning solutions and tackling the digital divide, a well-rounded and effective educational practice is what is needed for the capacity-building of young minds. It will develop skills that will drive student's mental health & creativity.

Globally, schools are recognizing the fact that introducing students to aptitude challenges helps them with critical thinking and also broadens their understanding of dependencies amongst subjects. It gives us a great pleasure to invite your esteem school to participate in the ONLINE NMAC SELECTION ROUND [FREE] to all students of all divisions from Standard 1st to 8th.
