**Date: 22/09/2021**

Dear Parents,

Greetings of the day!

The year 2020 has been a year of major upheavals and we have been living amidst a pandemic for more than a year now. One of the things we have learnt from this struggle is to be resilient.

In an effort to adapt to change and to create a truly borderless experience of learning, we have introduced a **new format** for the **11th Geo Genius National Geography Olympiad**.

We have also introduced an **online mode** of examination for the students who want to participate individually.

We have made progressive changes in the **exam pattern** and **syllabus**.

**Level 2 and Level 3** examinations will be completely conducted in the online **mode** for all the students.

Also from this session onwards students of **classes 11 & 12** are eligible to participate in the Geography Olympiad.

For all the updated details related to the new exam pattern, registration process and syllabus, we request you to please visit the **Geography Olympiad page** of our website [www.geogeniusindia.org](http://www.geogeniusindia.org).

Please submit any queries to: [info@geogeniusindia.org](mailto:info@geogeniusindia.org) or call at 9340386535 or 9521200706 (Monday to Saturday between 10 am to 5 pm)

Students can register directly online through our website.

Students of class 2 to 12 are eligible to participate in the Geography Olympiad. The students are divided into three categories:-

- Class 2 to 4 - Sub Junior Category
- Class 5 to 8 - Junior Category
- Class 9 to 12 -Senior Category

For Level 1, online examination is scheduled on 12th December, 2021.

The dates for level 2 and level 3 will be decided on completion of level 1.

(Refer to our website for more details).

The last date of registration is 31st October, 2021.

After completion of Level 3, fifteen winners from each category will be awarded and top five students will be selected as India's National Geography Champions.

Four winners from the Senior Category will represent India at the International Geography Olympiad iGeo organized by International Geographical Union (IGU). The age criteria for participation in the International Geography Olympiad is 16-19 years.

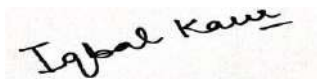

Awards: Click here for more information <https://www.geogeniusindia.org/awards>

We also provide preparatory books for the students of all the three categories at nominal price. Students can order the preparatory book online.
