**Invitation to Join as a  
“Parent Resource Person”**

Dear Parents,  
Warm Greetings!

We are delighted to introduce a special initiative – **“Parent as a Resource Person”** – aimed at building a stronger school community by involving our talented parent fraternity.

Through this program, we invite parents to share their knowledge, skills, professional expertise or creative talents by conducting sessions or workshops for students, teachers or fellow parents.

If you are interested in being a part of this meaningful collaboration, we request you to kindly fill out the form using the link shared in the message below.

**Please Note:**

Sessions will be finalised only after a discussion with parents, based on mutual understanding and availability.

This initiative will not only enhance our students’ learning experience but also strengthen the bond between home and school.
