Subject:  **ED TALKS: the Next Gen's TED Talks Registrations Now Open**

(TED x C M International School) Talk Program for Inspiring V to Victorious X

Dear Parents,

Greetings for the day!

We are delighted to announce that **registrations for CMED Talks - The Next Gen's TED Talks** are now open for students of Inspiring V to Victorious X.

Following the successful completion of the previous Academic Year, we are excited to invite a fresh set of students to be part of this enriching platform that encourages young minds to express their ideas, share inspiring stories and build confidence in public speaking.

Interested students are requested to give their names to their respective class teachers. Participants will be provided with a form in which they must write a **100 - word abstract** summarising the topic of their choice. This form should be duly filled and submitted to the class teacher. Shortlisted students will be informed about the next steps and further details by their assigned mentors.

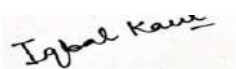

Key Details:

- **Eligibility:** Students from Inspiring V to Victorious X
- **Talk Duration:** 10 – 15 minutes
- **Last Date for Registration:** 27/04/2026
- **Guidance & Mentorship:**
Ms. Rachana Pathrikar (Grades V - VII)
Ms. Suchismita Banerjee (Grades VIII - X)

The dates for mentoring sessions and final presentations will be communicated to the selected students. Shortlisted participants will receive individual mentoring support to help them craft, refine and confidently deliver their talks. Attached below is a list of suggested topics for reference. Students may choose any topic from the list or select one that genuinely interests them.

We look forward to an enthusiastic response from our budding speakers as we begin this new round of CMED Talks.

Regards,

Principal
