## Earth Day – No Plastic Challenge - C M International School

Dear Parents,

**Earth Day**, celebrated on April 22nd, is our reminder to love and protect our planet. It's a day to celebrate nature, **plant trees, save water, and say no to plastic.**

Let's join hands to keep our Earth clean, green, and beautiful.

On Earth Day celebration, our school proudly leads the **No Plastic Challenge** to protect our planet!

- We pledge to avoid plastic bags, bottles, wrappers, and straws in school and at home.
- Every student is a green warrior with steel bottles, cloth bags, and steel lunch boxes.
- One small refusal today saves our rivers, oceans, and animals tomorrow.
- Let's segregate waste, reuse what we can, and inspire others to join us.
- Teachers, parents, and students — together we can make our campus 100% plastic-free!
- Class monitors will help track plastic-free days and appreciate the greenest classrooms.

We are not just reducing plastic, we are building habits that will last a lifetime. This is our gift to **Mother Earth — a cleaner today for a safer tomorrow.**

**"Be Fantastic, Say No to Plastic!"**

Thank You.

Regards,
