

Curriculum

Our curriculum is thoughtfully designed to provide a strong academic foundation while ensuring the holistic development of every child. For Grades Nursery to V, the school follows the curriculum by Rachna Sagar Pvt. Ltd., while Grades VI to X follow the NCERT curriculum along with selected reference publications for enriched learning.

The curriculum is child-centric and aligned with the principles of the National Education Policy (NEP), focusing on experiential learning, hands-on activities, creativity and conceptual understanding. Through interactive and self-based learning methods, students are encouraged to develop critical thinking, confidence and communication skills for lifelong learning. Equal emphasis is given to academics, values, sports, arts and life skills to ensure the overall growth and personality development of every learner.
