Field Trip-2 Circular

Dear Parent,

Greetings!

“The world is the greatest classroom, and every journey is an opportunity to learn.”

An educational trip is an enriching off-campus learning experience that blends education, exploration, excitement and adventure. A well-planned educational trip takes learning beyond the four walls of the classroom, enabling students to gain practical knowledge, discover new perspectives, develop essential skills, and connect classroom concepts with real-life experiences.

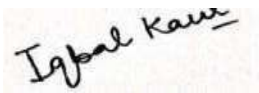

We have organized Field Trips for the students as per the following schedule:
